

Datasheet

FULL PROTECTION SUIT SUBITUS

The idea of "all-in-one" is fully implemented in this full protective suit system. SUBITUS® stands for simple and flawlessly operable full-body protection that keeps gases and dusts away from the respiratory tract and body.

This system is designed to help users protect themselves against bacteria, viruses, chemicals and hazards that are not immediately definable during initial contacts.

- » Weight (suit complete with mask and ABEKP3 filter): 900g
- » Tightly fitted half mask with particle P3 or combination filter ABEKP3
